

# MESTO®

SPRAYERS MADE IN GERMANY

Efficient spraying made in Germany:

**MESTO – the ideal choice for professionals  
and ambitious amateur users.**

# SPOTLIGHT

## Let it flow – MESTO presents the new rechargeable battery-operated series

Offering maximum convenience: with the new e.flow series from MESTO. Choose rechargeable battery power and enjoy the convenient assistance when pumping. All without a power connection or annoying cables.

**AVAILABLE FROM 2025**

### Rechargeable battery-operated backpack sprayer e.RS185

The new rechargeable battery-operated backpack sprayer with a Bosch Professional 4 Ah 18 V battery pack is ideal for the targeted spraying of plant protection products, fertilizers, and pest control agents.

#### Typical MESTO

- Robust construction for a long service life and reliable performance.
- Precise spray wand with a length of 50 cm ensures precise application.
- Sturdy base plate for a secure footing during filling
- With filler screen and measuring cup in the lid
- Spray wand holder for easy and safe storage
- Pressure: 5 bar
- Hose length: 150 cm for flexible use
- Easy cleaning and maintenance for long-lasting use
- Fill capacity: 18 liters

e.RS185  
Type 3626

<b>Name</b>	<b>e.RS185</b>
<b>Type</b>	3626
<b>Filling capacity</b>	18 L
<b>Charging indicator</b>	On the rechargeable battery
<b>Charging option</b>	Charging station
<b>Operating time</b>	60-140 minutes depending on flow rate
<b>Rechargeable battery</b>	Bosch AMPShare 18 V with 4 Ah, 0.6 kg (not included in delivery)
<b>Pressure</b>	5 bar adjustable via potentiometer
<b>Nozzle</b>	Hollow cone
<b>Hose</b>	PVC hose, length: 1.5 m
<b>Spray wand</b>	plastic
<b>Seals</b>	NBR
<b>Highlights</b>	Bosch AMPShare rechargeable battery, ergonomic backrest, Profi carrying system
<b>Packing unit</b>	1
<b>GTIN</b>	4000903004521

### Battery water tank e.AQUA 20

e.AQUA 20  
Type 3628W

From irrigating gardens and parks, core drilling, and angle grinding all the way to caring for plants or irrigating cemeteries – the MESTO battery water tank turns work into pleasure. The powerful 18-volt rechargeable battery makes irrigation efficient and easy, even when power or water connections are not available.

<b>Name</b>	<b>e.AQUA 20</b>

## Modern, sturdy and sustainable: real eye-catchers on the shelf

MESTO has a completely new look and is an eye-catcher at the point of sale. By reducing the use of color and switching from white cardboard to recycled brown cardboard, the new packaging is a clear step towards sustainability and conservation of resources.

The new packaging concept is also a real visual highlight. The modern, clear design corresponds perfectly with the new logo and emphasizes MESTO's professional image even more. This guarantees an eye-catching presence and an attractive, tidy appearance for every sales area!

The colored labels make it easier to identify the devices and convey the most important product features, areas of application and unique selling points at a glance.

The reinforced cardboard boxes protect their contents safely and reliably and also convey the high value of MESTO devices to the touch.
